

Town of New Durham, NH DPW Director/Highway Agent

Join our progressive team in implementing this new departmental organization covering Highways, Solid Waste, and Facilities for this 44+/- square mile community with a year round population of 2,700, and a seasonal increase driven by its location in the NH Lakes Region, and 55+/- miles of public roads. The Director leads a staff of seven full-time and five part-time or seasonal employees with an annual operating and capital budget of \$1.5M+/- . The successful candidate will have an Associate's of Science in engineering, business, public administration, or a related field and five (5) years of experience in municipal public works or related engineering, construction or maintenance with at least two (2) of those years in a supervisory role OR an equivalent combination of education and experience which demonstrates possession of the required knowledge, skills and abilities. Preference given to those who are a registered Professional Engineer and have – or are willing to obtain - Master Road Scholar in the UNH T2 program. Competitive salary and benefit package DOQ/DOE.

Submit letter of interest, resume and standard town application form (go to www.newdurhamnh.us, click on Forms & Documents, and click on Job application) to the Town of New Durham, Attn: Town Administrator, PO Box 207, New Durham, NH 03855 or ndadmin@metrocast.net. Position is open until filled. First review begins February 4, 2016.
