

ND Parks and Recreation Minutes Work Session

April 22, 2015

Work session started at 7PM with Kristyn Bernier, Jennie Nyman, Dot Veisel, Sherri Brulotte and Doug Perkins present. Also present was Corky Mork, videographer.

After introducing Corky to the group, the work session began. Updates were given on ongoing activities and athletic programs as well as the day care. Rec Director Nichole Hunter has been keeping close tabs on everything going on and provided an update list. Bi-weekly newsletter is online and can be emailed by request.

Assignments and needs for the plunge were double checked.

Revolving fund remains unreconciled, however Kristyn emphasized to the group that the information provided at the BOS meetings regarding its balance was inaccurate. The last reconciliation was done before Vickie Blackden left town employ last May of 2014.

Nichole and Dot are working on the summer program and have a calendar of activities as well as parent information. Fall registrations are also being accepted.

No decisions were made. There was no non-public session.

Tentative date for next meeting is Wednesday, May 27, 2015 at 7PM.

Work session concluded at 7:48PM.

Kristyn Bernier
